Candidate Statement of Qualifications

CITY OF: _____ **Lake Forest** _____

OFFICE SOUGHT: _____ **Council Member** _____

WARD/DISTRICT #: _____ **N/A** _____ (if applicable)

NAME: _____ **Andrew "Drew" Hamilton**

AGE: 44

(Optional)

OCCUPATION: City of Lake Forest Planning Commissioner

My family and I enjoy living in Lake Forest because it is family-oriented, close to our church (Saddleback Church), and full of fantastic and friendly people. As an active community member, I volunteer at many local nonprofit organizations, including serving as an Olive Crest foster parent and as an AYSO soccer referee and coach.

As a Certified Public Accountant (CPA), Chief Financial Officer and small business owner, my broad business experience would allow me to make Lake Forest work like a business by increasing accountability, eliminating wasteful spending and decreasing onerous regulations.

My seven years of government experience consisting of four years as a Planning Commissioner and three years as a Chief Financial staff-person would also allow me to hit the ground running.

Currently, Lake Forest does not have any term limits, and the current term limit initiative is an important first step.

I will also fight to make Lake Forest a safer city.

As more homes are built, I will implement traffic alleviation measures.

Together, I believe we can work toward accomplishing these goals in order to make Lake Forest a better place to live and work, and to provide a stronger future for our children.
